## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 28-51 are allowed.

The following is an examiner's statement of reasons for allowance: Independent claims 28, 36, and 44, each when considered as a whole, are allowable over the prior art of record. Specifically prior art of record fail to clearly teach or suggest assigning a first priority value to the identified first help file and a second priority value to a second help file of the identified plurality of help files, wherein the first priority value exceeds the second priority value in response to the first help file corresponding to the itemized income tax deduction of the user. Dependent claims 29-35, 37-43, and 45-51 further add limitations to the allowable subject matter of the respective independent claims thus are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ba Huynh whose telephone number is (571) 272-4138. The examiner can normally be reached on Mon - Fri.
